

WELCOME BACK TO BIDWELL!

Dear Families,

I would like to extend a very warm welcome to all of our families as we begin another exciting year at Bidwell Brook School.

It has been an absolute joy to welcome our learners back after the summer holidays. We have been incredibly fortunate with the weather, and it has been wonderful hearing about the adventures, achievements and special moments that our children and young people enjoyed over the break.

I would also like to offer a particularly warm welcome to the families and young people who have recently joined our Bidwell Brook family. We are delighted that you are here and are very much looking forward to getting to know you and working in partnership with you over the coming years. We hope you already feel at home within our caring, supportive and inclusive school community.

The new term is now well underway, and it feels as though we are fully back into the rhythm of school life. Classrooms are buzzing with engagement, curiosity and laughter, and it has been fantastic to see learners settling so positively into their routines.

Thank you to everyone who attended our recent Parents' Evenings. It was wonderful to see so many families and to begin the year by sharing information, aspirations and goals for our learners. We know that when schools and families work closely together, children achieve the very best outcomes. If you have not yet had the opportunity to meet with your child's teacher, please do get in touch to arrange an appointment. We are always keen to work alongside you and value these opportunities to talk about your child's progress, achievements and aspirations.

This year, we will continue our focus on improving teaching and learning across the school. We are incredibly ambitious for all of our learners and remain committed to ensuring that every child and young person receives the very best opportunities to learn, grow and thrive. We also want them to develop the skills, confidence and independence they need to achieve their full potential, both in school and beyond.

We were delighted to welcome our new Improvement Partner, Deirdre Fitzpatrick, to Bidwell Brook recently. During her visit, she spent time meeting staff, visiting classrooms and talking with learners. She was extremely complimentary about our school, commenting on the positive atmosphere, the dedication of our staff team and the wonderful young people who make Bidwell Brook such a special place to learn and grow.

I would like to take this opportunity to thank you, as always, for your ongoing support. I am looking forward to another exciting year of learning, growth and working together.

Please enjoy the photographs that follow and take a glimpse into the wonderful start our learners have made this term.

Thank you, and here's to a great year to come!
