

Key Stage 4 Class News Summer 2024

Things to note for your class

Teachers will continue to inform you if they need any specific items for a student's individual timetables.

Please could your young person apply suncream before they leave from home, and bring in a named bottle of suncream so we can re-apply this during the day, as necessary.

A named hat and named water bottle would also be good.

Thank you!

Topic this Term

This half term, our journey-themed curriculum is sparking their curiosity as we explore 'How Do I Plan a Journey?'.

Through maps, stories and hands-on activities, your young person is learning about routes, transportation, and planning adventures.

In the second half of the Summer Term, we'll dive into the world of commerce with 'How Do You Buy and Sell Food?'.

From farm to table, our students will discover where food comes from, how it's produced, and the art of trading goods. Get ready to cook up some fun as we explore markets, negotiate deals, and cultivate a taste for entrepreneurship

It's going to be a deliciously educational journey!
